

# MAHOMET TOWNSHIP

TOWNSHIP 20 NORTH RANGE 7 EAST

Mahomet Township was created April 30, 1860 as one of the original 15 townships and called Middletown Township. In November 1861, T19N, R7E was detached from Middletown Township to form Scott Township. The township name was changed to Mahomet Township in 1871. Mahomet is bounded on the west by Piatt County and the Sangamon River passes through nearly the center of the Township, making this one of the loveliest townships in the county. Lake of the Woods Park is located in Section 2.
